

Personal Details

1. **Family name** : **Dmaidi**
2. **First names** : **Nabil**
3. **Date of Birth** : **1959**
4. **Nationality** : **Palestinian**
5. **Civil status** : **Married**
6. **Mobile No.** : **00970592011110**

Education

Institution	Dundee University, UK
Date:	1995
Degree(s) or Diploma(s) obtained:	Ph.D. Construction Engineering and Management
Institution	Pennsylvania State University, USA
Date:	1985
Degree(s) or Diploma(s) obtained:	M.S. Construction Engineering and Management
Institution	University of Jordan, Jordan
Date:	1982
Degree(s) or Diploma(s) obtained	B.S. Civil Engineering

Employment History

Date from – Date to	Location	Company	Position	Description
6/6/2013- 2/6/2014	Palestine	Ministry of Transport	Minister of Transport	Leading the ministry of transport
September 2012- june2013	Palestine	An-Najah National University	Associate professor in Construction Engineering and Management	Teaching
October 2011 to September 2012	Palestine	PTU	Visiting professor	Conducting researches and teaching courses related to project management
February 2006- October 2011	Palestine	An-Najah National University	Dean Of the Faculty of Engineering	Plan, organize, manage and lead the departments, the faculty staff, labs and the 3800students and put strategic plans for the development process
February 2001- 2006	Palestine	An-Najah National University	President Assistant	Helping the president in running the university
August 2001- 2004	Palestine	An-Najah National University	Director of Studies and Projects Unit	Coordinate and manage all the projects within the unit
2004- 2004	Palestine	An-Najah National University	Dean of Hisham Hijawi Technical College	Plan, organize and manage the departments within the faculty students staff and labs

September 1998- 2000	Palestine	An-Najah National University	Dean of An-Najah Community College	Plan, organize and manage the departments within the faculty, put strategic plan for the faculty. Put plans for training of staff
October 1997- October 1998	Palestine	An-Najah National University	Chairman of Civil Engineering Department	Run the department and all resources related to it and put strategic plans for the development process

Research

Research Interests

Key qualifications (relevant to the project): Over 32 years experience in Strategic Planning, public awareness, project management, procurement management, contract management, project evaluation, time control, cost control, productivity improvement, cost modeling, developing and running training programs in project management, tendering process and construction management to Paltel group and engineers association. Lecturing at An-Najah University in courses related to project management, construction Contracts, cost estimates and tendering process, procurement and tender document preparation, engineering economy and contracts. Chairman and member of the boards for different companies and charitable foundations.
